Cub's Food Stand

Once again this year we will be working with the Cheer Zone Cheerleading group to help both groups raise funds. We will be doing this by working the food stand at Cub's Food. This year we will be working either at the new Cub's on S 6h Street or the Cub's on Veteran's Parkway. This year we will be working the 1st and 3rd weekend of every month. We will be located at the 6th Street Cub's. Upcoming dates that we need help are June 30 and July 1st and then again July 14th and 15th. There are 2 shifts each Saturday and 2 shifts each Sunday. They are from 9:30-12:30 and 12:30-3:30. We need to have 1-2 Jaycees per shift. The Springfield Jaycees will receive a portion for each Jaycee we have out there working. Otherwise the Cheerleaders will reap all the rewards.

Anyone interested in helping out please contact either Shauna Murphy at 528-7859 or Robbie Johnston.

Fishing Clinic

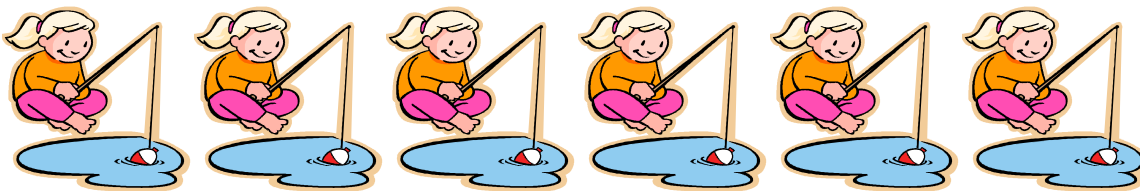

The Illinois Department of Natural Resources, Bob's Bait and Tackle, in partnership with the Springfield Jaycees are proud to present their annual "Kids Fishing Clinic" on June 9th.

The event will be held at Conservation World on the Illinois State Fairgrounds. This project is a collaboration effort with "Free Fishing Days" which is scheduled June 8th through June 10th.

Activities for the Fishing Clinic include:

Free fishing, fish identification, fishing techniques, safety tips, and proper angler ethics. There will be various contests planned including a casting contest conducted by FLW-TBF Casting Federation. Prizes will be awarded for the various contests. A mid-morning snack and drinks will be provided by Sunrise Café.

Registration begins at 7am and the fishing clinic concludes at noon. The clinic is open to all children between 2 and 12 years of age. We ask that you bring your own rod and reel. There will be a limited amount of rod and reels available for children who do not have their own equipment. All fishing bait will be provided, as well as, on-site assistants who will educate young children on how to properly bait their hooks.

Crop for the Center

Crop for the Center is an opportunity for you to work on your albums with friends for four or more hours! Part of the proceeds from this event will help with renovations to the Springfield Jaycees Activity Center. You'll receive cropping space, help from your Creative Memories and Leaving Prints consultants, a preview of all the great new products, and lots of album-making ideas! Please feel free to invite a friend, and make your reservation quickly to guarantee your spot! Fee for the event is \$10 or Stop-N-Shop for \$3. Watch for Upcoming dates to help out the Activity Center.
